Dedication...

"God eternally geometrizes."

Since Wilson's beginning fifteen years ago, many students have heard and remembered this statement and retain a warm place in their hearts for the teacher it symbolizes.

We, the staff of the 1962 **Hornet's Nest**, with warm affection, dedicate this book to Miss Lillian Eisenberg whose devotion to Wilson and her students has been a standard we can never forget.

and Activities

In the cooling days of fall and as soon as the weather got warm in the spring, they could be found out on the football field every sixth period, drilling for the coming half times, and the important band activities of spring.

Band officers from left to right are:
Judy Davis, Mary Jane Brownlee,
Becky Harris, Wayne Garber, Buddy
Hutchens, Carl Ludwick, and Ruth
Thompson.

Proud and snappy in his green and white uniform, Richard Wagner led our prize winning marching band in 1961-62.

Wilson's Concert Band, whether playing for big conventions or student groups, always takes every opportunity to show its high quality musicians.

left Rita Strickler. Bottom right

A black and white photograph of a cheerleader. She is wearing a dark, long-sleeved dress with a prominent white collar and white cuffs. She also wears a crown or tiara and dark sunglasses. She is posing with her right leg raised and bent, holding a small object in her right hand. She is standing in front of a brick wall, and there is a small, dark, rectangular object on the wall to her right. The ground appears to be grass or a lawn.

CHORAL

What a lovely group, they have pretty good voices too. This is the second and third period Music Classes of course.

The boys of our Boy's Glee Club are the boys of golden voices.

GROUPS

The Choral groups performed in the Christmas Concert; the sixth annual high school band and choral day; H. M. S. Pin afore Operetta; the All State Chorus; also two assembly programs. Before school is over they will perform in the Spring Concert; the Augusta County Festival of Music and in the Graduation Ceremony.

Not shown is the Mixed Ensemble, the Choir, and Officers.

Miss Alice Johnson—whose able baton directs the Wilson choral groups.

The Girl's Glee Club, accompanied by Fay Rosen and directed by Miss Johnson, added much to our school year by singing often.

WILSON ECHO

Madness breaks out in B6o7-x as Mr. Duff lectures on contemporary literature and poetry

"Learning to write is a matter of reading and writing . . ." We did a lot of both this year and made big gains in our efforts to express ourselves.

"No. No. No! It's not good enough.
Rewrite this!"

"Newspapers are to be distributed
in these areas," points out Ray Thomas.

F.F.A.

To hope for improved agriculture, better rural communities, and more satisfying farm home life and more efficient farmer-citizen. These and more are the aims of our Future Farmers.

Putting out the ECHO is a big job and required the combined efforts of many.

Ann Frenzel makes big time.

HORNET'S NEST

A lot of hard work, deadlines to meet, pictures to take, bills to pay, and write ups to complete, that's us—your annual staff. A good deal of fun and many a good laugh is shared along with the work all through the year.

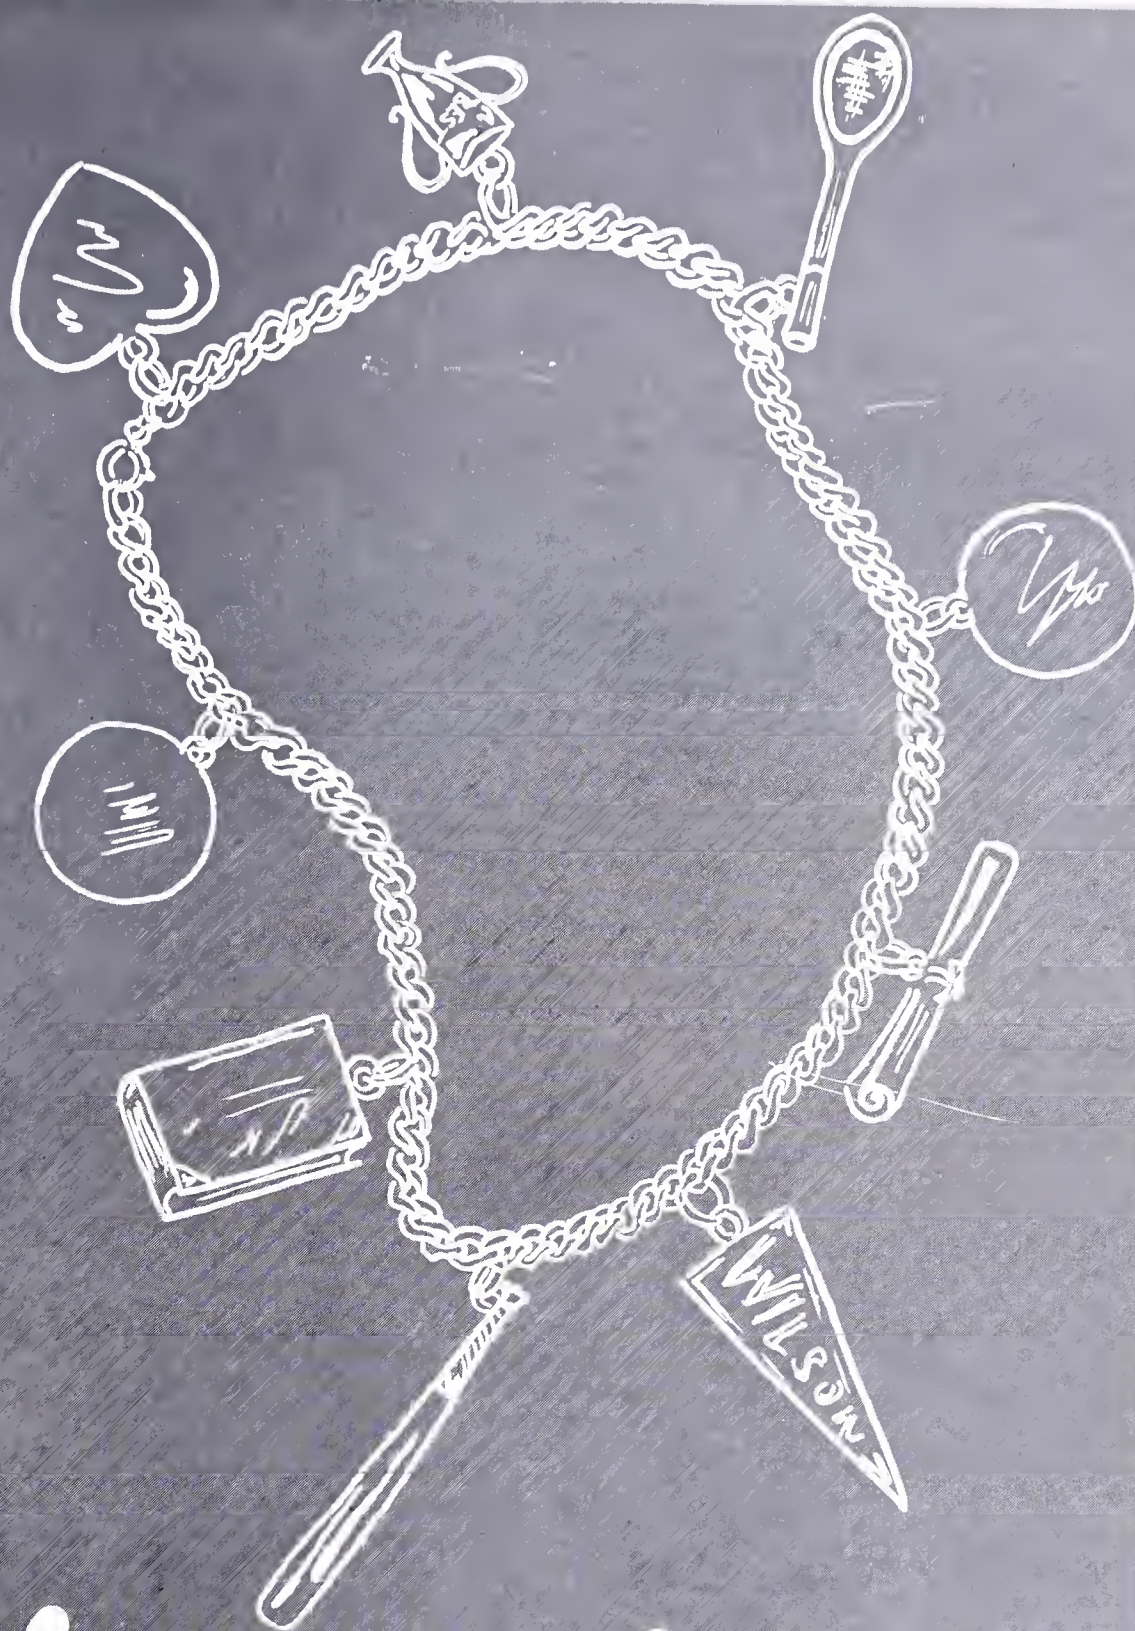

Look busy? Well, maybe just a little, but the annual staff does have to do plenty of work to turn out the annual.

Editor-in-chief, Sandy West and on the left is the business manager, Ann Powell.

FLEET-STRUCTURES

of 61-62

OUTSTANDING WILSON STUDENTS

Robert Earl Alley is one big, five foot five inch, grin.

Being a ninth grade A and B student, and that includes Biology, Latin I, and Algebra I, he has plenty to grin about, although he confesses he worries a lot.

He is in the F. T. A. and Latin Clubs. He likes to collect coins, and historical facts and browses into his ancestry.

Future plans for this outstanding personality include teaching degrees in Math and History from Bridgewater College.

Norman Vincent Coyner, 16, is more apt found shooting baskets in the lower end of the gym than anything else. This industrious sophomore made first-string Varsity Basketball this year. In addition to basketball he plays football.

Norman has lived with his parents at Route 2, Staunton all his life and his hobbies are sports and listening to the radio.

This robust, American boy likes hamburgers, cokes, and ice cream.

"At least I'm healthy," he adds.

Sharon Deacon, a lively 10th grader, hails from Swoope, Virginia. She is presently living with her grandparents in Fishersville, Va.

"Deacon", as called by her friends, enjoys sports and likes to collect records.

At school, she is on the girl's basketball, girl's softball, and tennis teams.

When asked about Wilson she says, "I'm crazy about it!"

With plans for the University of Virginia's engineering, **Wayne East** enjoys many varied interests ranging from Boy Scouts to politics.

Vivacious, bouncy **Betsy Ellmore** is one of Wilson's perky junior personalities.

Betsy is the daughter of the Reverend and Mrs. Emory S. Ellmore of Stuarts Draft.

This brunette is a varsity cheerleader, a member of the Pep Club, Latin Club, and F. T. A.

Betsy plans to attend Emory and Henry College.

Ann Hutchison Lowman, a tall, slender brunette with a bubbling personality, is the daughter of Rev. and Mrs. H. R. Lowman of Route No. 1, Grottoes.

She fills her spare school hours by being the treasurer of the Beta Club and being an active member of the Pep Club and F. H. A. Ann is also the President of the Junior Class and an officer in her youth Fellowship.

Music seems to be her only hobby but she has many favorite sports such as horseback riding, tennis, and swimming.

OUTSTANDING WILSON STUDENTS

Ann Powell, a 17 year old senior comes from Memphis, Tennessee. She has been at Wilson for two years and is the Business Manager of the **Hornet's Nest**.

Her favorite hobbies are playing tennis, reading, swimming and watching sports.

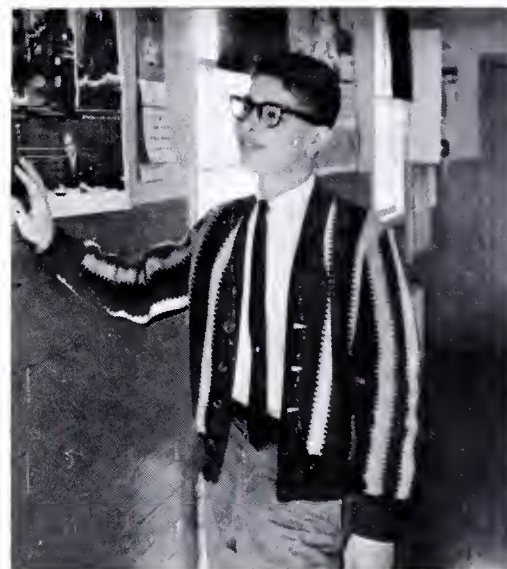

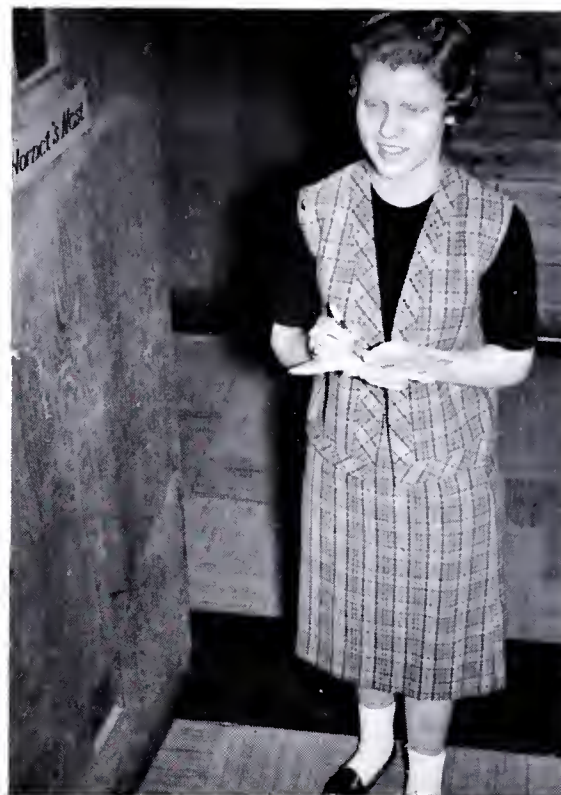

After graduating Ann plans to go to Lambuth College in Jackson, Tennessee.

A senior, **Steve Sniteman** is the 17-year old son of Mr. & Mrs. H. C. Sniteman. He was former Sophomore Class President, Sports editor of the Annual Staff and S. C. A. Representative.

He's popular, handsome, witty, and athletic. He spends his spare time with girls and cars.

He is definitely planning a college education.

John Reed, a fun-loving, flirty, sixteen-year old Junior also has his serious moments.

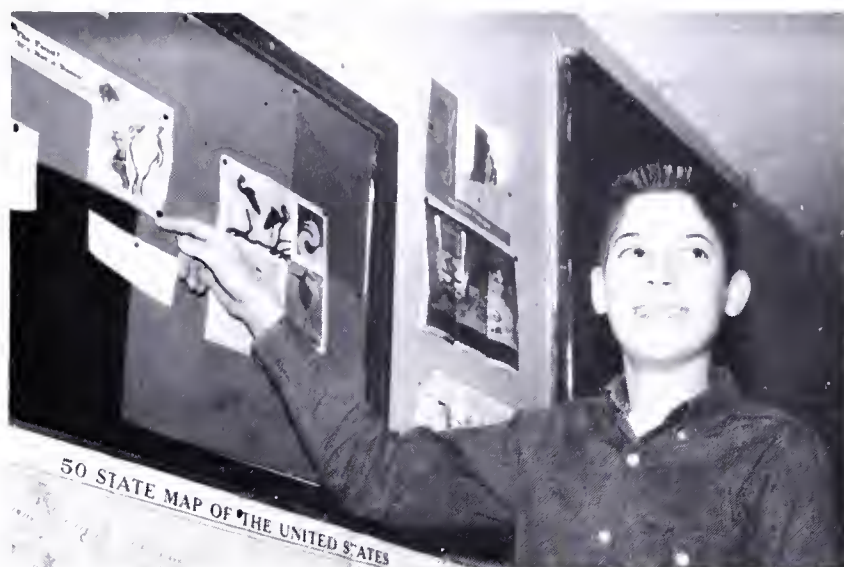

He has served as Sophomore President and Freshmen Treasurer as well as participating in J. V. baseball and the Debate Club.

With all his activities it is hard to believe he has time for collecting coins and stamps, reading and dancing.

In the future he hopes to attend V. P. I. or the Naval Academy.

Stewart Thomas, a still growing 15 year old, is an eighth grader this year. He is the son of Mr. and Mrs. Richard A. Thomas, Route 3, Staunton, Virginia.

Stewart is S. C. A. Representative for his homeroom this year. His hobbies are building models and camping. In his spare time he enjoys football and basketball.

Beneath this quiet exterior breathes a free thinking 9th grader, **Denay Trykowski**. There is nothing complacent about Denay or her ideas. For example, "Most T. V. is dumb," "Boys are o. k. if you like them," and "I'm not Yankee or Southern. **I'm American!**"

Her job as picture editor of the Annual coincides with her artistic hobbies and ambitions. Although this former New Yorker hasn't made any definite future plans, she hopes to go to college and pursue an artistic career.

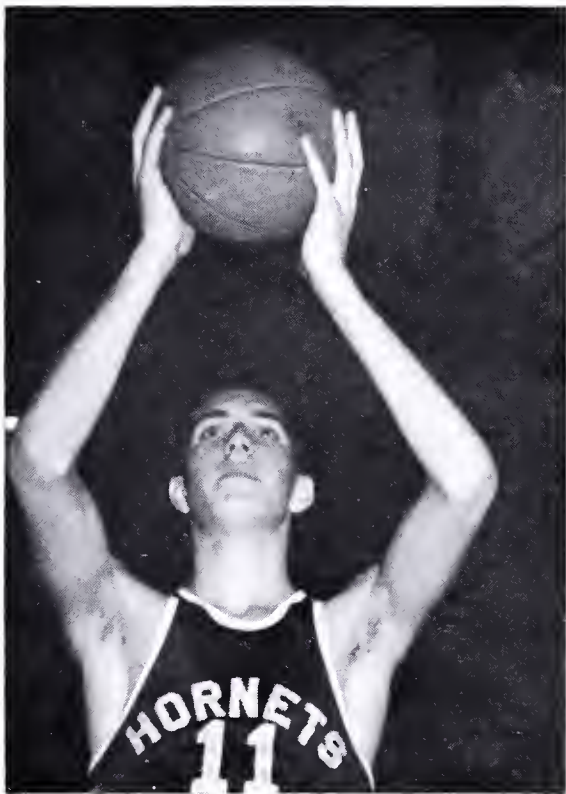

Tall, blond **Bobbie Thompson** is active in school athletics, participating in basketball, football, and baseball. He also served his school as treasurer for the S.C.A.

OUTSTANDING WILSON STUDENTS

Sandra Cornell West is quiet, beaming and has a main objective of making everyone else happy. She is 17 years old and is a senior here at Wilson. During her 5 years here, she has been a member of the Pep, Beta, and Latin Clubs. She is now the editor of the Annual Staff.

After graduation, Sandy plans to attend Mary Washington College to major in Science to become a Physical Therapist.

John Wetzel, a 6'4" seventeen year old senior, is the president of the Pep Club and a member of the Beta Club.

The sports-minded vice-president of the Senior Class holds records in both track and basketball.

In his Junior year, John attended Boy's State. He is a good student and plans to go to college somewhere in Virginia.

Tom Trykowski, a Junior this year, lives at Route 1, Greenville, Va. with his parents.

In his spare time he likes to read, try experiments in Science and he enjoys working on radios.

He is hoping for a college education.

WILSON'S FUTURE HOMEMAKERS . . .

"Bubble, bubble, toil and trouble!" What mysterious things have been happening behind the closed doors of the Home Economics buildings? And just why are they located 'way over on the other side of school? Well, there's a very important and secret reason. The teachers have been busy turning run-of-the-mill teenagers into capable and efficient "future homemakers." Here is a glimpse at some finished products.

SCENES from

"I'm stuck . . . I can't get back up."

"Boys are O.K. but girls dance better."

"Sure I'm unhappy. I haven't learned how to twist yet."

Dancing of various types and styles are seen, but the Twist has been this year's favorite.

the SOCIAL CENTER

Students come here in the morning to meet their friends and to start the day.

"Has anybody seen Mr. Baker?"

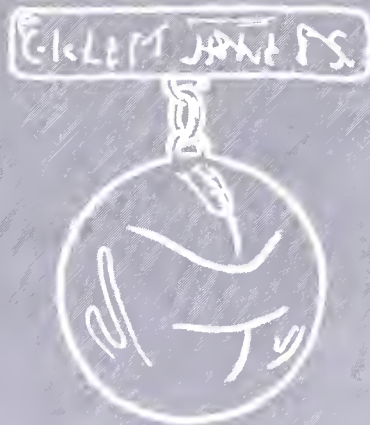

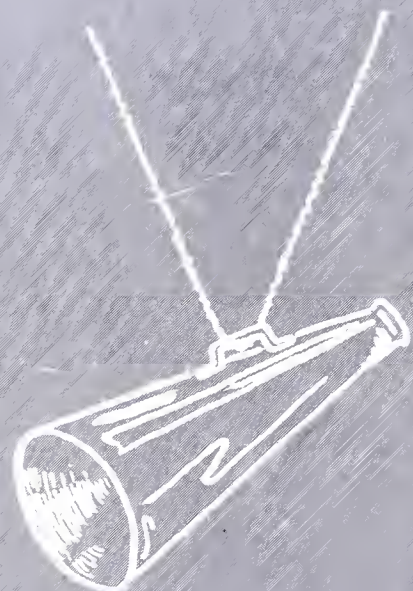

"Now you're learning."

"I don't know what's in there, but we're gonna find out."

The after-lunch set take a break from the rushing routines of classes.

**With school *behind* you . . .
what's *ahead*?**

College, perhaps? Wonderful! A job? Wonderful, too, if it's the right one—with opportunities to progress and learn as well as earn. There are many such jobs at C&P, waiting for girls like you. In a telephone job, you not only start with good pay but are specially trained to make more. Raises and advancements are frequent. Surroundings are pleasant—people are friendly—and your work is never dull. Why not make your first job a telephone job—one that can lead to a happy, rewarding career?

WILSON'S HIGH-HITTING HORNETS . . .

This sensation team ran up an impressive string of 23 consecutive victories—enough to bring home the second place trophy for state-wide Group II play. This picture shows John Wetzel and Charles Vette receiving the coveted District V Trophy.

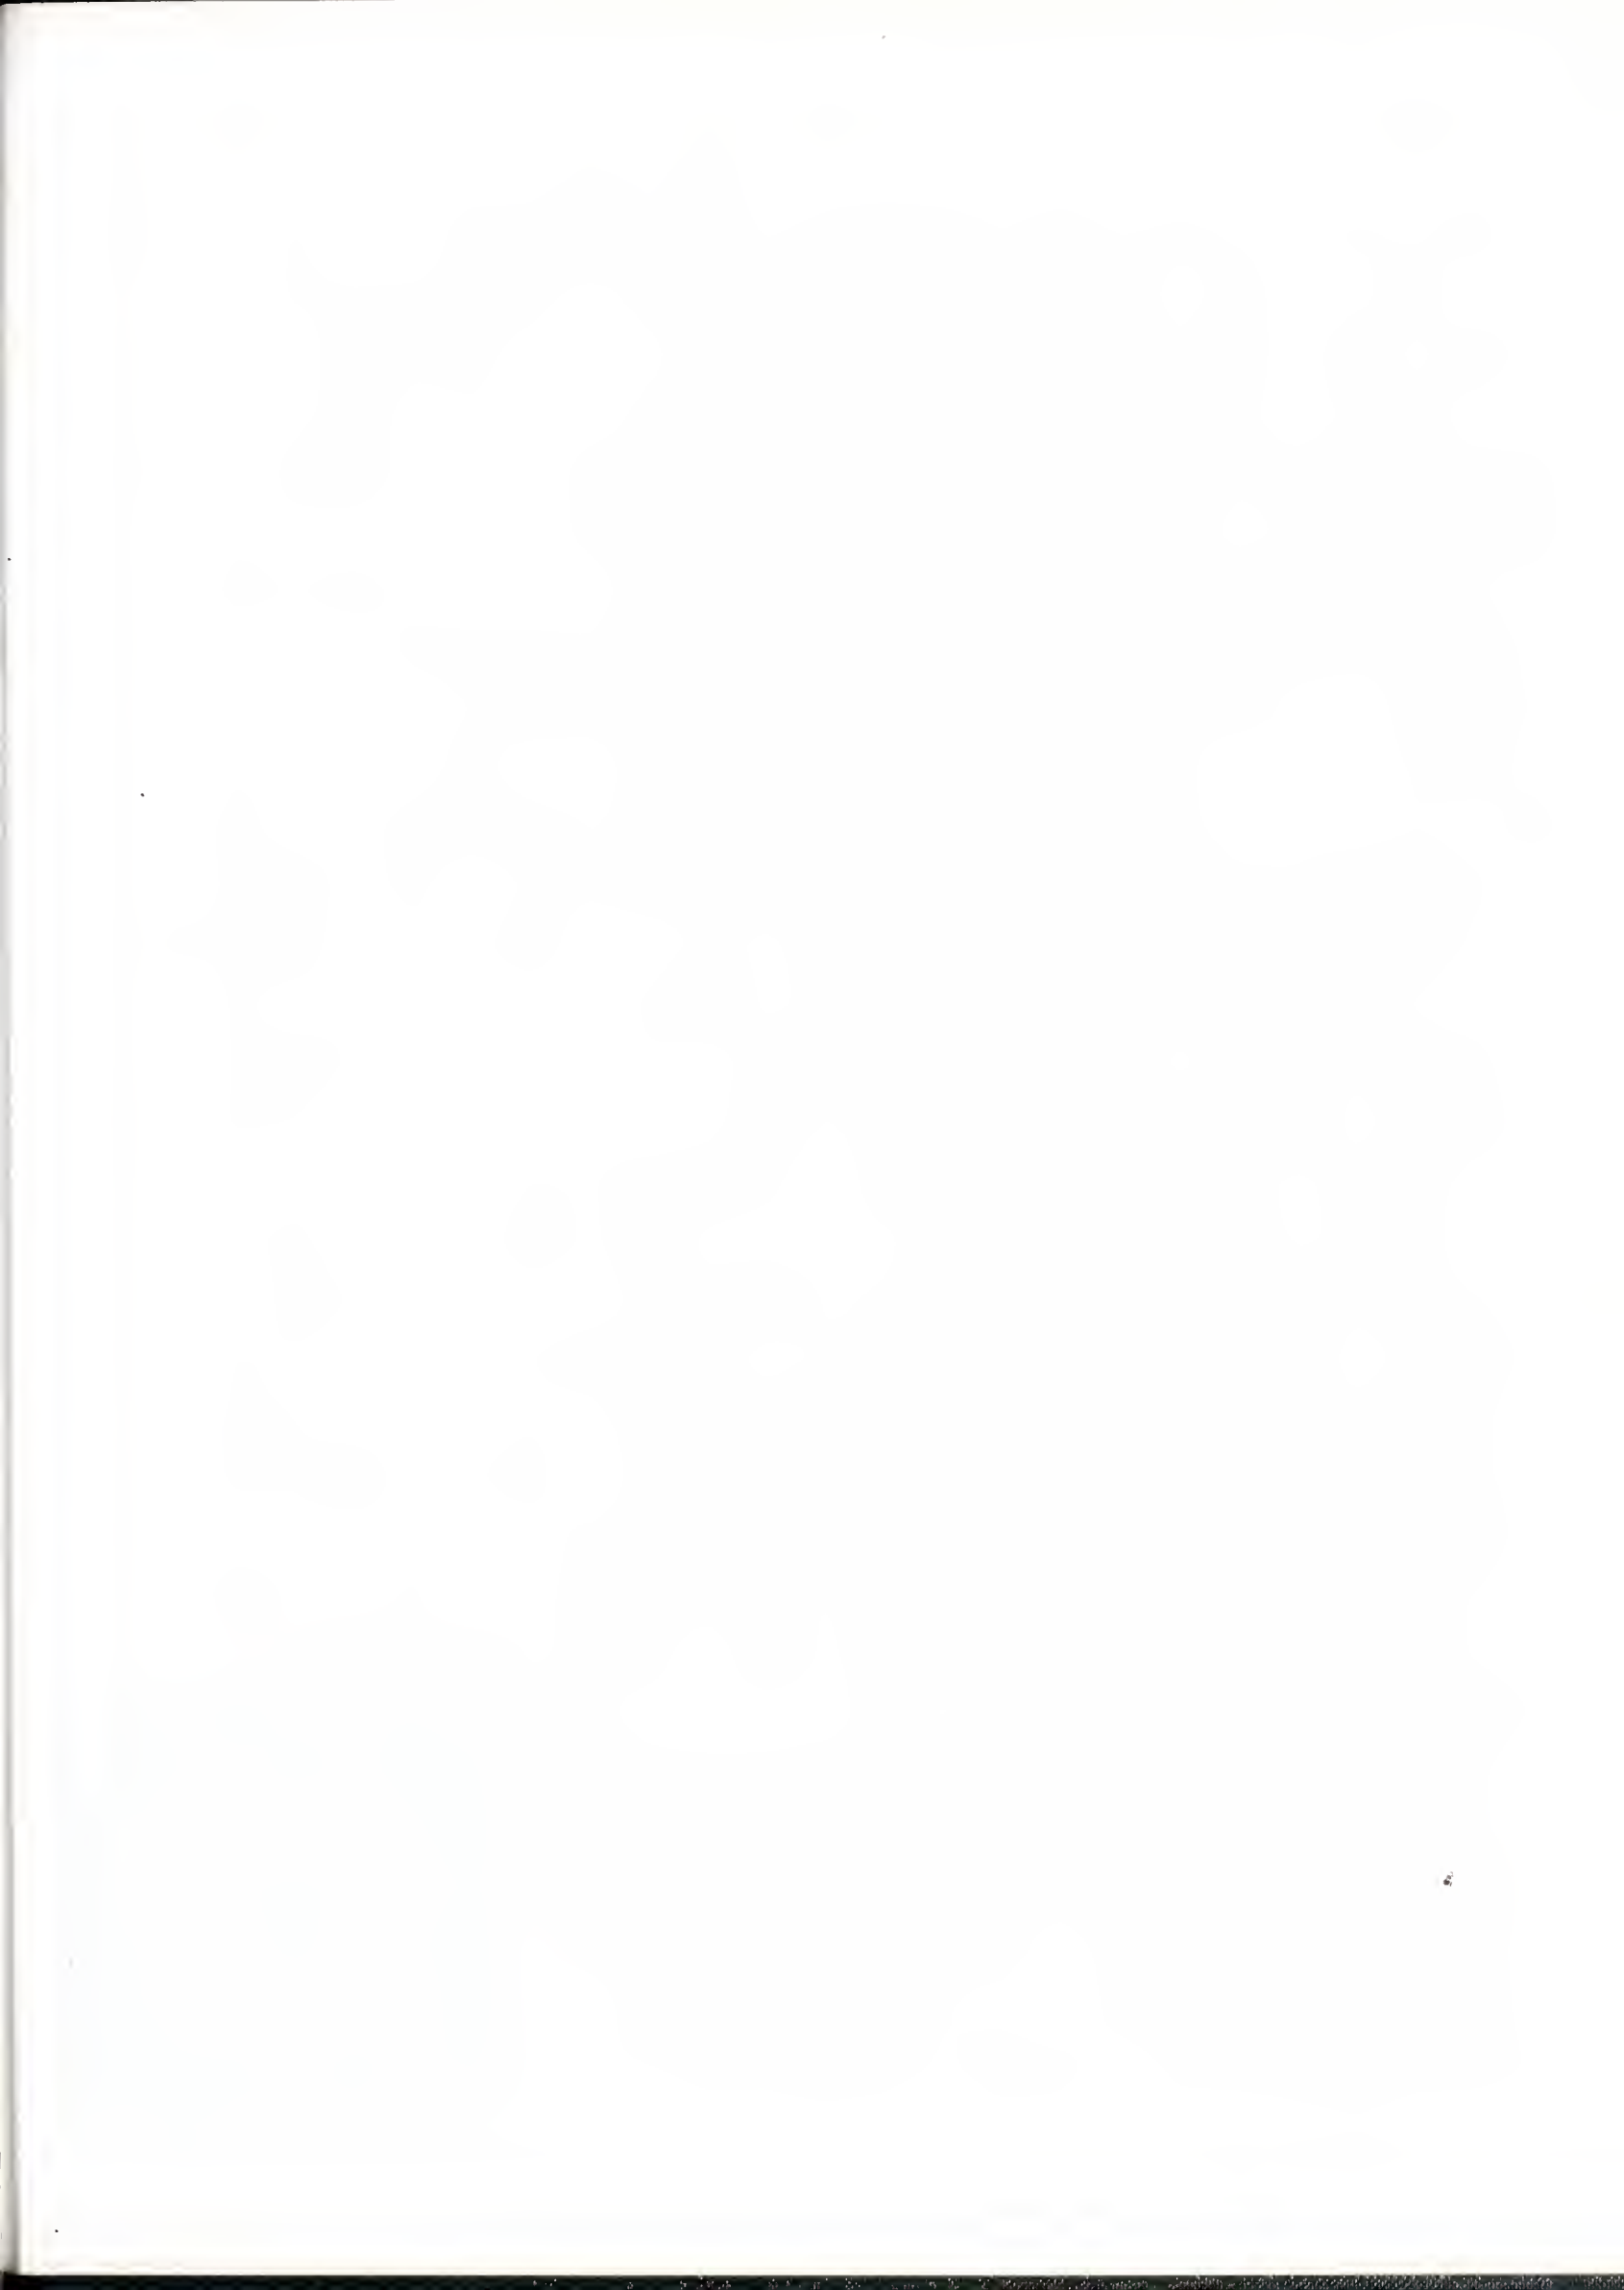

Wilson was made doubly proud when our cheerleaders made it two in one night winning the District V cheerleading crown.
